August 1, 2021
Dear Consumer/Designated Representative,
As your Fiscal Intermediary, Chinese-American Planning Council Home Attendant Program, Inc. (CPCHAP) wishes to inform you that all Personal Assistant(s) employed by you will have Vacation and Sick time merged into Personal Time Off (PTO) which is consistent with other caregivers within our organization. We believe, and suspect you agree, that the critical work performed by the Personal Assistant(s) employed by you should merit a paid time off benefit package that is equitable to industry-wide standards.

Therefore, beginning October 1, 2021, all Personal Assistant's will accrue paid time off (PTO) benefits as follows:
For every 17 hours worked each PA will accrue 1 hour of PTO
A maximum of 3.45 hours may be accrued per week
A maximum of 180 hours may be accrued per fiscal year (July 1 through June 30)
All unused PTO at the end of each fiscal year will be paid out to each Personal Assistant
Please note that CPCHAP will leave each PAs sick leave balance as of September 30, 2021, opened and available to cover statutory waiting periods for either New York State Disability or Worker Compensation or Paid Family Leave during the period October 1, 2021, to September 30, 2022

Additionally, paid time off for holiday pay is being adjusted to mirror industry standards more closely. All Personal Assistants will now have President's Day added as a paid holiday and will be reimbursed an extra 1.0 times for hours worked on this holiday. Please note that beginning October 1, 2021, only the Personal Assistant who works on the holiday will receive holiday pay for working the holiday.

As required by NYS Department of Labor (DOL) all enhancements or changes in an employee's reimbursement rate must be entered on a DOL approved pay rate form (attached) and signed by each of your Personal Assistants. Please note these changes only affect the PA's reimbursement for work provided and does not affect any home care services provided to each consumer.

Please ensure that each of PA working for you fill out and print name/sign on each Page (total 4).
These forms can be returned to CPCHAP via three options:

1. Option\#1: via MAIL

CPCHAP / Attn: HR Dept

## General Instructions

Section references are to the Internal Revenue Code.

## Future Developments

For the latest information about developments related to Form $\mathrm{W}-4$, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

## Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.
Exemption from withholding. You may claim exemption from withholding for 2023 if you meet both of the following conditions: you had no federal income tax liability in 2022 and you expect to have no federal income tax liability in 2023. You had no federal income tax liability in 2022 if (1) your total tax on line 24 on your 2022 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2023 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2024.
Your privacy. If you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c).
Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay income and self-employment taxes through withholding from your wages, you should enter the self-employment income on Step 4(a). Then compute your self-employment tax, divide that tax by the number of pay periods remaining in the year, and include that resulting amount per pay period on Step 4(c). You can also add half of the annual amount of self-employment tax to Step 4(b) as a deduction. To calculate self-employment tax, you generally multiply the self-employment income by $14.13 \%$ (this rate is a quick way to figure your selfemployment tax and equals the sum of the $12.4 \%$ social security tax and the 2.9\% Medicare tax multiplied by 0.9235 ). See Pub. 505 for more information, especially if the sum of self-employment income multiplied by 0.9235 and wages exceeds \$160,200 for a given individual.
Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

## Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.
Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

If you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.
 Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.
Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

## Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2023 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay each pay period, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.
Note: If more than one job has annual wages of more than $\$ 120,000$ or there are more than three jobs, see Pub. 505 for additional tables.

1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1 . Then, skip to line 3

1 \$
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines $2 \mathrm{a}, 2 \mathrm{~b}$, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a

2a \$
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b

2b \$
c Add the amounts from lines $2 a$ and $2 b$ and enter the result on line $2 c$
2c \$
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.

3
4 Divide the annual amount on line 1 or line 2 c by the number of pay periods on line 3 . Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

4 \$

## Step 4(b) -Deductions Worksheet (Keep for your records.)

1 Enter an estimate of your 2023 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to $\$ 10,000$ ), and medical expenses in excess of $7.5 \%$ of your income

1 \$
2 Enter: $\left\{\begin{array}{l}\bullet \$ 27,700 \text { if you're married filing jointly or a qualifying surviving spouse } \\ \bullet \$ 20,800 \text { if you're head of household } \\ \bullet \$ 13,850 \text { if you're single or married filing separately }\end{array}\right\}$
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"

3 \$
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information

4 \$
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4
5 \$

# New Health Insurance Marketplace Coverage Options and Your Health Coverage 

## PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

## What is the Health Insurance Markelplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

## Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may quallfy to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace? Yes: If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than $9.5 \%$ of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. ${ }^{1}$

Note: If you purchase a health plan through the Markelplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

## How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact Chinese-Alnerican Planning Council Home Attendan! Program, Inc. (CDPAP)
